

EXILIS

WHAT IS EXILIS?

The fastest, most powerful non-invasive aesthetic device available today.

HOW DOES IT WORK AND WHAT WILL I FEEL?

Exilis uses safe and sophisticated thermal energy to induce positive changes in your skin and body. A comfortable deep heating sensation is experienced with each short treatment session.

HOW MANY TREATMENTS DO I NEED AND WHEN WILL I SEE RESULTS?

Typically, 4 treatment sessions within four to six weeks are recommended. Many patients experience results after the first treatment and they continue to improve with each additional session.
